Waconia, MN 55387

Dear Norman,

I am writing to you in regards of your recent donation to Friends of Erik Paulsen for \$10,400. Because you had already donated \$2,500 to the primary election fund, this donation placed you over the FEC contribution limit for the 2014 primary election. It is presumed that \$100 is intended for the primary election fund and another \$2,600 is intended for the general election fund.

Our records show that your wife Ann has not reached her FEC contribution limit for the primary or general election fund. \$5,200 of your donation for was reattributed to your wife and evenly designated between primary and general election funds.

These modifications were made based on presumed contribution wishes, given the amount and limits. If this donation was not intended to be a joint contribution or was not intended for the general election please contact our office (952-934-8999).

Based on all donations from this cycle, you have exceeded campaign contribution limits for individuals and couples by \$2,500. A refund check will be provided to you in the near future.

Thank You,

Reid Lebeau
Treasurer

Paid for by Friends of Erik Paulsen
